

CELEBRATING MORE THAN A DECADE OF SUSTAINED EXCELLENCE

BE A PART OF THE MOVEMENT

At ITW Food Equipment Group, our dedication to sustainability goes beyond labeling ourselves “green.” Instead, we’re committed to manufacturing more efficient commercial kitchen equipment that empowers cooks, chefs and foodservice professionals everywhere by bringing out their best. At the same time, we work to build equipment that reduces energy and resource consumption, because it both decreases impact on the environment and your bottom line. With nearly 400 ENERGY STAR® certified products spanning multiple equipment categories and brands, ITW Food Equipment Group has established a reputation for quality, energy efficient products that reduce the total cost of ownership for kitchens everywhere.

A PARTNER FOR LIFE

This is where you come in. Your kitchens can realize energy and resource efficiencies by upgrading older equipment for ENERGY STAR® certified products, giving you the ability to save on natural resources as well as labor efficiencies, while lowering your total cost of ownership. More importantly, by investing in durable equipment from ITW Food Equipment Group brands like Hobart, Vulcan, Traulsen, Baxter and Stero, you will gain a reliable, invaluable equipment partner for life.

FOR THE 17TH CONSECUTIVE YEAR, ITW FOOD EQUIPMENT GROUP HAS BEEN NAMED ENERGY STAR PARTNER OF THE YEAR.

The U.S. EPA'S highest industry honor, the ENERGY STAR® Partner of the Year – Sustained Excellence Award, is conferred on companies that have demonstrated a commitment to energy and resource efficiency in their production and product offerings. The 2024 award marks the 17th consecutive year that ITW Food Equipment Group has been recognized Partner of the Year—the 15th year of Sustained Excellence. The accolade recognizes ITW Food Equipment Group's continued commitment to manufacturing industry leading products that are both sustainable and expertly crafted with its operators' needs in mind. Explore how your operation can benefit from a boost in efficiency and save big on resources, time and money through ITW's comprehensive line of ENERGY STAR certified products.

THE DIVERSITY OF OUR PRODUCT OFFERING MEANS YOU'LL HAVE A FULL SUITE OF PRODUCTS TO CHOOSE FROM. FROM OVENS TO REFRIGERATORS TO DISHWASHERS, YOU'LL ACHIEVE ENERGY EFFICIENCY THROUGHOUT YOUR KITCHEN.
