# MEAT SAW WITH INTEGRATED PUSHER

Helping you create high-quality cuts, chops and steaks.

## Integrated Pusher Option

- Added convenience for user
- Pusher is integrated with table
- Flips out of way and locks in place conveniently when not in use
- Toolless disassembly for cleaning
- Minimal parts for sanitation
- Available on 6801 (6801-18IP) and 6614 (6614-1IP)

## Performance

- Direct drive system (no belt slipping) allows operators to cut through large pieces of meat all day with minimal effort, and its unique structure improves stability while processing meat.

## Cleaning and Sanitation

- Open frame design allows for complete, quick sanitation of unit and high pressure washing. Removable blade makes sanitizing easy.

## Ease of Use

- Low maintenance tensioning system takes out the guesswork.
- Double flange pulley secures blade and formed edges on trays reduces denting and improves meat handling.

## Operator Assurance

- Upper and lower blade guards.
- Adjustable legs allow machine height to be changed for easier and more comfortable use.

## Hobart Ownership Benefits

### Performance

Hobart meat saws are built to exceed expectations. It's why so many culinary professionals won't settle for anything else.

- 4,150 FPM Blade Speed
- 3 hp Motor
- Direct Gear-Drive Transmission
- Removable, Double-Flanged Pulleys

### Sanitation & Cleaning

Thoughtful designs make Hobart meat saws easier to clean—so operators can spend more time creating.

- Movable Carriage Tray
- Open Frame, Stainless Steel Construction
- Removable, Double-Flanged Pulleys

### Ease of Use

Hobart meat saws are engineered to work the way people do. Uncomplicated, intuitive operation helps produce great results.

- Integrated Pusher
- Movable Carriage Tray
- Adjustable Legs
- Removable, Double-Flanged Pulleys

### Operator Assurance

Built with the operator in mind, Hobart meat saws help ensure peace of mind during use.

- Pusher Plate
- Adjustable Legs
- Upper and Lower Blade Guards
