Less time, less water  
Legendary Hobart clean

advansys™

# THE HOBART PWeR ADVANSYS PREP WASHER DELIVERS.

Delivering a best-in-class Hobart Clean and reduced operating costs to save time and money in demanding commercial food-prep environments washing a high volume of prep ware.

The Hobart Prep Washer offers greater flexibility by enabling a wider range of kitchen items to be quickly and effectively cleaned in a single load. The Hobart Prep Washer investment will consistently deliver results year after year.

**10 Pan & 20 Pan Capabilities** allow for more throughput and up to 400 sheet pans per hour rated at 2.35 gal/cycle

**Ventless Energy Recovery** eliminates the need for a vent hood & providing installation flexibility

**NSF Pot and Pan Rating** cleans tough, heavy, baked-on food soil off all your prep ware

**Wash Wide Variety of Wares** provides greater coverage over large ware & utensils, especially custom ware types

## ADVANCED CLEANING PERFORMANCE

**33.5" Door Opening** accepts large prep ware including sheet pans & up to 140q.t. mixing bowl

**X-shaped Wash Arms** deliver more water & greater cleaning performance

**Pumped Drain** with energy saver mode (automatically drains the machine tank after 4 hours)

**Complete Delime™ with Booster Guard™ advansys** reduces the handling of chemicals and preserves the life of the machine and booster heater

**Sense-a-Temp™ Booster** provides consistent 180°F sanitization on every cycle for food safety assurance
