G-SERIES - HEATED CABINETS REACH-IN & PASS-THRU

SUPERIOR HOT FOOD STORAGE SUPPORTING YOUR BUDGET NOW AND LATER

G-Series hot food cabinets help you maintain your bottom line while offering superior warm temperature maintenance, proven durability and energy efficiency in an economical cabinet. Traulsen uses a durable 14-foot tubular heating element, coupled with low velocity fans and a digital microprocessor control to provide consistent, energy-efficient warmth.

- Durable, long-lasting all-metal construction, heating element and digital microprocessor control
- Raised door pans protect gaskets
- Factory-installed standard shelving
- EZ-Clean Gaskets made with sanitizer-friendly Santoprene®
- All models offer energy efficiency and are ENERGY STAR® listed
