

### STAY IN CONTROL WITH THE VERSATILE TRAUlsen AIR CURTAIN.

Traulsen's Air Curtain Refrigerator models are efficient, mobile, and built to last. The unit is designed to streamline the traditional tray make up process, and can also facilitate service in remote dining spaces. The unit will maintain an interior temperature of 40°F (4.4°C) or less for a minimum of 60 minutes, and up to a maximum of 120 minutes while the door is open. Keep food safe longer with the reliability of Traulsen's Air Curtain.

#### 1

### DESIGNED FOR MOBILITY

- Heavy duty casters with stress pads
- Two (2) casters swivel with brake
- Work-flow door handle & flush hand grips
- Rear-mounted tubular handle
