

MADE FOR THE SPOTLIGHT

Traulsen's LED Merchandising Line provides show-stopping illumination while significantly reducing energy consumption. Patented LED Display Doors with embedded lighting reduces glass fog without transferring heat into the cabinet. There is a Traulsen difference, let us show you.

1 ILLUMINATION LIKE NO OTHER

Your products are displayed like never before. With the LED lights built right into the door, products inside the refrigerator and freezer are beautifully featured, without adding any heat to the interior.

2 LOW COST OF OWNERSHIP

With a 3-year parts and labor warranty and a 5-year compressor warranty, rest assured that you're making a wise investment.

3 RAPID RECOVERY

The combination of superior air-flow design, thermal expansion valve technology and a balanced refrigeration system ensures rapid temperature recovery in real world operation.

4 MAXIMUM CAPACITY

Traulsen Display Merchandisers maximize the interior refrigerated space for highest usable capacity.

**Compressor warranty is 3 Years Parts & Labor with additional 2 Years on Compressor, Parts Only.*
