## Sending HCPC Recipes to Hobart Combi

Screenshot Instructions (Windows 7 PC that has Bluetooth)

- 1. Activate Bluetooth
  - a. Click on arrow
  - b. Click on Bluetooth device and turn on
  - c. Click on "Add a Device"

2. Add a Device

3. Select the combi device indicated by the device starting with "F000.....". Each combi will have a unique version of this alphanumeric code but they will all start the same first letter and numbers.

4. Enter the pairing code "0000".

5. Adding a device is now complete.

6. Right click on the newly added device and press "Control".

7. Click on "Send files" to device.
