

LIMITED ORIGINAL COMMERCIAL EQUIPMENT WARRANTY

Vulcan warrants that it will convey its products (the "Product(s)") free and clear of all liens, security interests and encumbrances created by, through or under Vulcan. Vulcan further warrants that for a period of one (1) year from the date of original installation (the "Warranty Period"), under normal use and given proper installation and maintenance as determined by Vulcan, the Products: (a) will conform to mutually agreed upon written specifications or other descriptions; and (b) will be free from substantial defects in material and workmanship. Wolf is affiliated with Vulcan and thus Wolf products carry the same warranty.

This warranty is limited to Product(s) sold by Vulcan to the original user in the continental United States, Hawaii and Canada. Dealer shipments of Product(s) outside the United States, Hawaii and Canada are not covered under this warranty agreement.

Original installation must occur within 18 months of the date of manufacture, and written proof of the installation date must be provided to Vulcan. The Product(s) must be located at the original installation location.

In the event of a breach of the warranties set forth above (the "Warranties"), Vulcan will, at Vulcan's option and as Vulcan's sole liability and Purchaser's sole remedy, repair, replace or credit Purchaser's account for, any Product that fails to conform to the Warranties, provided that (i) during the Warranty Period Vulcan is promptly notified in writing upon discovery of such failure with a detailed explanation of any alleged deficiencies; (ii) Vulcan is given a reasonable opportunity to investigate all claims; (iii) Vulcan's examination of such Product confirms the alleged deficiencies and that the deficiencies were not caused by accident, misuse, neglect, normal wear and tear, improper installation, unauthorized alteration or repair or improper testing, subjected to harsh chemical action or poor water quality, damaged by flood, fire or other acts of nature, or which have altered or missing serial numbers and (iv) with respect to any repair, Purchaser is responsible for time and travel charges in excess of 50 miles (100 miles round trip) of an authorized service agency. No Products may be returned to Vulcan until inspection and approval by Vulcan.

The Warranty against defects does not apply to:

- 1) Consumable components or ordinary wear items;
- 2) Use of the Products with equipment, components or parts not specified or supplied by Vulcan or contemplated under the Product documentation;
- 3) Periodic maintenance of equipment, including but not limited to lubrication, replacement of worn blades, knives, stones, knobs, accessories and miscellaneous expendable supply items, and other adjustments required due to installation set-up or normal wear,

- 5) Fryer equipment (which is subject to a limited fry tank warranty based on model – see separate warranty statement provided by Vulcan), or
